What is Appalachian Youth Camp?

We are a group of Christians who want to give today's youth a four (4) day retreat to relax and get closer to God. Our children live in a world where everything from social media to extra curricular activities vie for their attentions.

This culture often attacks their faith and undermines the Christian values we hold dear.

Appalachian Youth Camp wishes to partner with parents, churches, and youth leaders to help children and teens navigate through these foundational years. We offer age appropriate activities and lessons that will inspire, educate, encourage and equip our youth to be strong in their faith while exhibiting the love of Jesus no matter where they go or what they encounter.

In this structured, fun, caring retreat they will have time to grasp their value, self worth, discover their gifts and abilities, and further their relationship with Jesus Christ.

When is camp and what is the cost and age limit?

Our camp is always 4 days and 3 nights beginning on the 3rd Sunday in June each year. The cost is \$140 per child this covers all meals, snacks, lodging, and each child will receive a camp souvenir. Camp is for those students who will be entering 4th grade in the upcoming school year to the age of 17 years old.

What do campers have to supply?

All campers need to have enough clothing for 4 days, sleeping bag or twin sheets, a pillow, toiletries, bath/beach towel & wash cloth, and modest swimming attire. **Any electronics that are brought are the sole responsibility of the camper.**

What activities are provided for campers?

We provided a class like setting each morning where the campers are broken up by age groups and taught the same lesson based on their level of understanding. We have a 30 minute segment of time in the morning where campers are encouraged to just spend quiet time with God, either reading their bibles, writing in a journal or praying. Everyone, even counselors, participate in Quiet Time.

We have 2 chapel services per day as per the request of the campers. We have ziplining, structured games in the lodge, designated swimming times (**boys and girls are never allowed to swim together**)

In the evenings we have Porch Power where we hear a motivational speaker or watch a motivational video. We have a DJ who comes and entertains us with Christian karaoke and contemporary Christian worship music.

There are pool tables, ping pong tables, foosball tables, basketball, dodge ball, hula hoops, jump ropes, corn hole, and copious amounts of board games to keep everyone engaged and active.

At night, before lights out there are counselor led devotions in each cabin.

Where is the camp located?

We have the Oaks Retreat in Greenville, TN rented for our camp. They have an onsite chapel that we use plus they provide breakfast, lunch and dinner for the campers and counselors.
